**NEW PROJECTS**

The **House in Lumino** has recently been selected as a winner in the 6th cycle of the **20+10+X World Architecture Awards**. From a shortlist of 20 projects, the house was one of 20 chosen by the jury for award.

Invited to design the **masterplan of the former hospital zone of Vimercate**, Italy.

**EXHIBITIONS**

Davide Macullo will take part in the Hungarian Institute of Architects' drawing project for the **2010 Venice Architecture Biennale**. The project will explore drawing as a process. As part of the exhibition, the curator of the Hungarian pavilion, Andor Wesselenyi-Garay, is producing a film to illustrate and investigate this creative medium with several invited architects.
