SLEEK, ÜBER-CHIC DESIGN AND A STUNNING LOCATION RIGHT ON THE WATER PUT THE ELOUNDA BEACH YACHTING CLUB VILLAS IN A LUXE LEAGUE OF THEIR OWN: THE ULTIMATE EXPRESSION OF GLAMOROUS, ULTRA-MODERN HOTEL LIVING

On a secluded corner of Crete, where the ancient landscape meets the sparkling Aegean Sea, a little pocket of luxury is making waves as the chicest of new destinations. Introducing the Yachting Club Villas – the latest addition to the exclusive Elounda Beach resort.

Built to merge into the stunning Cretan coastline, the villas' beautifully sleek, sinuous lines extend right into the sea. From your state-of-the-art maritime-inspired suite, you can gaze out over your own expansive deck leading to a private infinity pool that fuses with the sea beyond – which, naturally, is

reserved for your sole use too, together with a jet-ski and speed boat.

Inside is just as mesmerising – a seamless combination of cutting-edge contemporary design and lavish touches. Leather ceilings, heated teak floors and silk bedding provide a suitably sumptuous backdrop to the in-suite movie theatres and hi-tech gadgetry; the boudoir-style bathrooms come with sunken steam baths and massage tables appointed just so, for unrivalled sea views while you unwind.

By day, the coastline is yours to savour, either through the wealth of

water sports available, or from the secluded sanctuary of the world-class spa, with its panoramic seascapes and tailor-made ESPA indulgences. By night, relax in one of seven restaurants – from Greek fine dining to sushi; beachside, in the gardens or in-room. And with the option to travel by private jet, the journey to your Yachting Club Villa becomes as spectacular as the destination. Luxury doesn't get purer than this.
